Forest Settlement in connection of Raichalli villages with the land S. No 71 leased to Koppada Puttappa by the muzrai department

Present: M. Shamarao Esquire
Forest Settlement Officer
in mysore

Decision

I have already decided that S. No 71 may be included in the Raichalli State Forest. As per request of the villagers, a sufficient extent of gomal land has been set apart for them and they are satisfied with that extent. The villagers expressed no objection to Survey No 71 being included in the State Forest. Puttappa is only a lessee of this Number and the District Forest

has no objection to the
enjoyment of Puttappa con-
tinuing till the expiry of the
period of his lease. He says that
thereafter the Forest Depart-
ment will be prepared to pay
any amount annually that
the Govt in the Muzrai Depart
ment may fix as reasonable.
In these circumstances I see
no objection to the number
in question being included
in the State Forest, subject
to the usual margin being left.
Whatever indentations of this
number may remain after
the Forest Department fixes
its boundary will also continue
to be in the enjoyment of the
Chatteram (Bamboo patch) as at
present. This number has
on

on the east and South the limits of two Iruva villages, Mahantalingapura and Siva-halli. It is necessary to include it in the State Forest, as otherwise it will remain a patch of jungle in virtually private enjoyment between the limits of the Iruva villages and the State Forest boundary to the north. To the west are some occupied lands of Rajihalli village. I consider therefore that the number may be included in the State Forest, subject to the deductions mentioned, about 85 acres.
